Clinomic Center For Clinical Research

Is the premier institute dedicated in promoting ethical research and high-quality Clinical Research education in India .Clinomic addresses the need for qualified and trained Clinical Research professionals by offering various programs in clinical research at its center of excellence campus in India.

Clinomic serves you with a platform that trains all aspirants to be well prepared to meet the needs of this “Ever-evolving Industry” by Disseminating Knowledge and Skills in Core and frontier areas of clinical research. Clinomic provide an independent global framework for international education, training and exchange of information for clinical research professionals and to foster professional excellence in design and execution of clinical research, thereby contributing to enhancing the Clinical Research culture in India.

Clinomic is India's premier Clinical Research Institute with one decade of expertise in the field of clinical research education. Clinomic aims to nurture and create an environment of learning and implement international standards in the interests of clinical research and healthcare studies through its centers located in Maharashtra, Gujarat, Kerala & Madhya Pradesh. This will ensure that India meets the global expectations and emerges as a top clinical research and healthcare destination.

Vision

“Our vision is to be the global leader of excellence knowledge center in the field of Clinical Research and to serve clinical research Science Industry for the Social well being.”

Mission

“We are committed to Quality, Speed, Value and Integrity and empower our students with rigorous knowledge and hands-on practical training of Clinical Research and to provide the platform and opportunity to the young capable minds to enter the field of Clinical Research.”

Industry Speak About Clinomic

“ Dr Vidula Pendharkar
Monitor/CRA | IQVIA

The Clinical Research industry has seen a substantial growth in the past few decades and India is becoming a hub for conducting global as well as domestic Clinical Research. Also with the changes in the regulatory system we are seeing a major shuffle in the industry.

“ Pushpraj Shetty
Service Delivery Manager | Cognizant

During the time that we were hiring from Clinomic Center for Clinical Research Pvt. Ltd., we are always been very impressed with their professional approach. The Students that have been send to us are well prepared and have a good knowledge in Clinical research; there has obviously been a lot of thought on the part of clinomic regarding sending us a right type of student. Thanking you so much for your efforts.

“ Ashish Singh
Sr. Pharmacovigilance Associate | TATA

As the Clinical Research industry grows, India needs professionals with the right balance of Clinical Research Education and Management Knowledge. Clinomic with its relevant curriculum and commitment to provide quality of education can meet the industry expectations.

Good Institute for Getting knowledge in Clinical research and also it offers placement in the same industry. The Institute has offered services even in this difficult period of lockdown and pandemic. The teaching staff and the admin staff both are very cooperative. One must look upon to this Institute, if you are interested to pursue your career in Clinical Research field.
